**Skimboard Summer Camps**

One week long camp recommended for children ages 7 and up of all abilities. Bring a bathing suit or board shorts, towel and lunch.

First-time and beginner skimboarders will learn the proper technique of "throwing" the board and skimming across the sand, and can even be introduced to basic maneuvers such as "180's" and "shuvits." Intermediate riders will learn an assortment of flatland maneuvers and transitioning from the sand into the water. Advanced riders can go even further by learning advanced flatland maneuvers, small wave riding, aerial maneuvers, and even riding rails.

Our staff is certified windsurfing instructors and snowboard coaches, with a passion for skimboarding and the experience needed to create a safe, fun, and effective learning environment. This program is suited for anyone with a desire to have fun and try something new, as well as the seasoned skimboard extradonaire. Happy skimmin'!
